

ACLU's 9 "model" state and local law enforcement policies and rules.

Defend our friends, families and neighbors from Trump's mass deportation agenda:

#1) *The Judicial Warrant Rule:* East Lansing officials shall require a judicial warrant prior to detaining an individual or in any manner prolonging the detention of an individual at the request of U.S. Immigration and Customs Enforcement (ICE) or Customs and Border Protection (CBP).

#2) *No Facilitation Rule:* East Lansing officials shall not arrest, detain, or transport an individual solely on the basis of an immigration detainer or other administrative document issued by ICE or CBP, without a judicial warrant.

#3) *Defined Access/Interview Rule:* Unless acting pursuant to a court order or a legitimate law enforcement purpose that is unrelated to the enforcement of a civil immigration law, no East Lansing official shall permit ICE or CBP agents access to East Lansing facilities or any person in East Lansing custody for investigative interviews or other investigative purposes.

#4) *Clear Identification Rule:* To the extent ICE or CBP has been granted access to East Lansing facilities, individuals with whom ICE or CBP engages will be notified that they are speaking with ICE or CBP, and ICE or CBP agents shall be required to wear duty jackets and make their badges visible at all times while in East Lansing facilities.

Protect our friends, families and neighbors' privacy from the Trump administration:

#5) *Don't Ask Rule:* East Lansing officials shall not inquire into the immigration or citizenship status of an individual, except where the inquiry relates to a legitimate law enforcement purpose that is unrelated to the enforcement of a civil immigration law, or where required by state or federal law to verify eligibility for a benefit, service, or license conditioned on verification of status.

#6) *Privacy Protection Rule:* No East Lansing official shall voluntarily release personally identifiable data or information to ICE or CBP regarding an inmate's custody status, release date or home address, or information that may be used to ascertain an individual's religion, ethnicity or race, unless for a law enforcement purpose unrelated to the enforcement of a civil immigration law.

#7) *Discriminatory Surveillance Prohibition Rule:* No East Lansing agency or official shall authorize or engage in the human or technological surveillance of a person or group based solely or primarily upon a person or group's actual or perceived religion, ethnicity, race, or immigration status.

Help our friends, families and neighbors get redress when abuses and mistakes occur:

#8) *Redress Rule*: Any person who alleges a violation of this policy may file a written complaint for investigation with the oversight entity for the East Lansing police.

Help ensure our friends, families, and neighbors are protected from discrimination:

#9) *Fair and Impartial Policing Rule*: No East Lansing official shall interrogate, arrest, detain or take other law enforcement action against an individual based upon that individual's perceived race, national origin, religion, language, or immigration status, unless such personal characteristics have been included in timely, relevant, credible information from a reliable source, linking a specific individual to a particular criminal event/activity.

Final Note: The Trump Administration has asserted, falsely, that if localities do not help advance Trump's mass deportation agenda, they are violating federal law. The following rule, which is the only applicable federal law in this area, would help ensure that East Lansing establishes its clear intent not to violate federal law. While not a necessary addition, this rule may be a useful complement to the above policies.

1373 Rule: Under 8 U.S.C. § 1373 and 8 U.S.C. § 1644, federal law prohibits East Lansing officials from imposing limits on maintaining, exchanging, sending, or receiving information regarding citizenship and immigration status with any Federal, State, or local government entity. Nothing in East Lansing policies is intended to violate 8 U.S.C. § 1373 and 8 U.S.C. § 1644.
