

**CITIZENS PETITION TO REQUEST  
THE EAST LANSING CITY COUNCIL  
DENY THE APPROVAL OF 2017 ORDINANCES #1395 AND #1416**

**WE THE UNDERSIGNED DO HEREBY REQUEST THE EAST LANSING CITY COUNCIL VOTE TO  
DISAPPROVE PROPOSED CITY ORDINANCES #1395 & #1416.**

It is the consensus of the undersigned voters of East Lansing that we respectfully request the East Lansing City Council DOES NOT pass Ordinance #1395 and Ordinance #1416. We feel passage of these two ordinances by the City Council would have a detrimental impact on the residents of East Lansing and the immediate surrounding area. Passage of the ordinances could also bring potential litigation against the city related to the manner and process that was used in determining what potential properties might qualify for development; and subsequently selected for approval. Additionally, the resulting impact of such a development would negatively impact property values and the environment in which the homes are located and negatively impacting property owners in the surrounding area.
