

East Lansing has worked hard to avert a fiscal crisis:

- ✓ Reformed the pension system
- ✓ Reduced the City workforce by 30% – 120 positions cut over 15 years
- ✓ Convened a Financial Health Team and followed its recommendations

The community crafted the Best Plan!

East Lansing residents spoke, and the City listened:

- ✓ **An income tax with a time limit – 12 years, by City Charter**
- ✓ **New revenue from non-residents who use our roads and services**
- ✓ **New revenue dedicated to good roads, facilities, and emergency services – things we all want!**
